AGORA STEEL EXTENSION BENCH WITH BACKREST is a part of the awarded furniture line from KOMPAN. AGORA is developed according to the latest inclusive design principles for outdoor furnishing without compromising on design qualities. KOMPAN truly believes in making public spaces more attractive and accessible for all. AGORA offers

a high level of flexibility when it comes to anchoring, color and material options in order to inspire architectural creativity and to fit the site specific requirements for individual customer projects. The complete AGORA line is available in highly vandalism resistant steel versions where tabletop and seat are made of perforated HDG Steel, leaving very little need for

maintenance. The steel versions are available in accent colours to e.g. support a city's visual identity or make a statement.

# Agora Stee Extension Bench + Backrest

PAR4055

The elderly population has expanded which requires age-friendly solutions. The Agora armrest is an integral part of the structure whilst also providing a firm grip and support to users. The height and position of the seat and backrest are ergonomically designed to fit all users.

The steel surfaces are hot dip galvanized inside and outside with lead free zinc. The galvanization has excellent corrosion resistance in outdoor environments and require low maintenance. Painted steel parts are hot dip galvanized before powder coating. The steel tube dimension: Ø48,3 x 3,2mm.

Item no. PAR4055-0602
